Dear Lisa,

I would like to take this opportunity to thank you for speaking at the Annual NYSUT Retiree Conference for Retiree Councils 17, 18 and 19 which was held on November 15, 2011 at the Coral House in Baldwin. I was pleased to meet both you and Kerri Kaley that day I also want to thank you for providing display information throughout the day. I do apologize for the delay in thanking you, but I also wanted to be able to share the positive feedback with speakers and presenters as well as the retiree leaders of the Retiree Councils 17, 18 and 19.

The presentation that you so carefully prepared was well received by those attending. It provided much valuable information in a clear and concise manner.

We hope that you enjoyed your time with NYSUT retirees here on Long Island as well.

Enclosed is a summary of the evaluations and comments made by those who attended. I trust that you will find this information helpful when planning future talks and seminars. Ratings were made on a scale of 1 through 5, with 5 being the highest.

Thank you again,

Kathleen A. Lyons
